Dear Lt. Nuno:

I thought they looked funny. Yes those are the photos and the license plates. I have been by the location several times a week. Strange? What is the parking enforcement officer going to cite? Violation of using fake license plates, over two hour parking, etc... ? Cite everything.

Hello there,

I can not see the license plates. The plates you gave me are not plates. I will send someone over to get the plates and mark the vehicles.
